Construction Public Open House – January 13, 2010

## Comment Form

Thank you for attending tonight's meeting and for your interest in this program. The purpose of this Open House is to provide you with more information about construction of Loop 101 (Agua Fria Freeway) improvements at the Union Hills Drive Interchange and the Beardsley Connector project. We hope you will take time to visit the displays and speak with our project team members.

If you have comments or suggestions for ADOT that you would like to submit for the project record and further consideration during construction, please write them on this card and return it to the reception table as you leave tonight. You may also return your comments after the meeting to:
